SCHOLARSHIPS 2022/2023

At La Salle Campus Barcelona, people are above all and our scholarship program allows young people with the required knowledge and skills to study with us, regardless of their economic and family situation and/or geographical origin.

Our goal is that all candidates who wish to study at La Salle, who meet the access requirements and pass the admission process, can access our University. For this reason, each file and application is analyzed individually.

The deadline to apply for a scholarship is September 2nd, 2022.

SCHOLARSHIPS FOR NEW STUDENTS

ACADEMIC MERIT SCHOLARSHIPS

ACADEMIC EXCELLENCE SCHOLARSHIP
Aimed at: Candidates that graduated with Honours in the Spanish baccalaureate or CFGS (Higher Vocational Training Courses).
Amount: Endowed with 70% of tuition fees for the first academic year.

ACADEMIC RECORD SCHOLARSHIP
Aimed at: Undergraduate students with a final mark of 8.0 or higher in the Spanish Baccalaureate, CFGS or other equivalent studies recognised by the Ministry of Education and Vocational Training.
Amount: Endowed with 50% of tuition fees for the first academic year. From the second year on, the scholarship may be between 20% and 50% of the tuition fees, according to the household income, the academic performance and the program.

LA SALLE WOMEN ENGINEERS SCHOLARSHIP
Aimed at: Female students in any Engineering Degree with a final mark of 7.0 or higher in the Spanish baccalaureate, CFGS (Higher Vocational Training Courses) or equivalent studies. The scholarship is subject to academic assessment, to a personal interview and to a videocurriculum in which extracurricular activities related to engineering and the motivation will be considered.
Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may continue according to the academic performance. If grades are lower than 7.0, the scholarship will be 20%.
No. of Scholarships: Limited to 15% of the available spots. Scholarships will be granted in order of request and payment of place reservation.

INTERNATIONAL SCHOLARSHIP
Aimed at: International candidates with studies equivalent to the Spanish baccalaureate or university studies with a final mark of 7.0 or higher. This scholarship is subject to academic assessment, a videocurriculum, household income and a personal interview.
Amount: Endowed with 10% to 50% of tuition fees.
No. of Scholarships: 15 scholarships.

INTERNATIONAL ACADEMIC EXCELLENCE SCHOLARSHIPS
Aimed at: International candidates with studies equivalent to the Spanish baccalaureate, with a final mark of 9 or higher. This scholarship is subject to academic assessment, a videocurriculum, household income and a personal interview.
Amount: Endowed with 70% of tuition fees for the first academic year. From the second year on, the scholarship may be between 20% and 70% of the tuition fees, according to the household income, the academic performance and the program.
No. of Scholarships: 5 scholarships.

IB SCHOLARSHIP
Aimed at: Candidates of the IB Diploma Program, whose final score is 35 points or higher.
Amount:
- Between 35 and 41 points: 50% of tuition fees for the first academic year.
- Between 42 and 45 points: 70% of tuition fees for the first academic year.
From the second year on, the scholarship may be between 20% and 50% of tuition fees, according to the household income, the academic performance and the program.

BE A LEADER SCHOLARSHIPS

BE A BUSINESS LEADER
Aimed at: Candidates with a final high school grade (or equivalent studies) equal to or higher than 7.0. The grant of the scholarship is subject to the academic assessment, a personal interview, and a videocurriculum in which the activities related to each area will be taken into account:

BE AN ARTIST
Related activities to be assessed: Activities related to the participation and creation in the artistic field: festivals, awards, exhibitions, etc.
Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.
No. of Scholarships: 5 scholarships in Digital Arts and Animation Degrees.

BE AN ARCHITECT
Related activities to be assessed: Activities related to the participation and creation in the architectural and artistic field: competitions, awards and exhibitions.
Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.
No. of Scholarships: 5 scholarships in Architecture Degrees.

BE AN ENGINEER
Related activities to be assessed: Activities related to the participation and creation in the field of engineering: such as the High School final project, participation in contests, competitions or personal projects.
Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.
No. of Scholarships: 5 scholarships in Engineering Degrees.
**ECONOMIC SUPPORT SCHOLARSHIPS**

**LA SALLE ECONOMIC SCHOLARSHIP**

**Aimed at:** Candidates with a strong academic record and/or personal merits who do not have enough financial resources to study at La Salle.

**Amount:** Endowed with 10% to 50% of the tuition fees. The scholarship will be for the first academic year and will be reviewed every year.

**MOBILITY SCHOLARSHIPS**

**Aimed at:** National candidates who live more than 50 km from the Campus and with limited financial resources.

**Amount:** Endowed with 30% of the tuition fees.

**No. of Scholarships:** 25 scholarships.

**LA SALLE COMMUNITY SCHOLARSHIPS**

**Aimed at:** Special scholarships for students with very limited financial resources.

**Amount:** Subject to the committee evaluation.

La Salle scholarships are not cumulative. The academic record scholarship will be taken into account with a maximum of two years before applying for the scholarship.

*Videocurriculum: short video, between 1 and 3 minutes, in which the candidate talks about himself, his aptitudes and abilities, and his curricular and extracurricular experiences.*

**SCHOLARSHIPS AND GRANTS FROM OTHER ORGANIZATIONS**

Undergraduate Degree students can apply to other scholarships and grants granted by public and private organizations. These scholarships are compatible with the scholarships awarded by La Salle and with loans from banks.

Students from other countries can consult scholarships and grants for international studies in Spain at the embassies of their countries of origin and official education portals.

**ENROLLMENT PAYMENT METHOD**

It is possible to make a single payment or to pay in several installments, with a maximum of 9 annual installments. An additional charge is applied depending on the number of installments chosen:

- **2 installments:** Place reservation + 2 annual installments and 30 € of interest. Each installment will be 50% of the remaining amount.
- **3 installments:** Place reservation + 3 annual installments and 60 € of interest. Each installment will be 33.3% of the remaining amount.
- **9 installments:** Place reservation + 9 annual installments and 160 € of interest. First installment of 30% and 8 equal installments of the remaining amount.

**FEES 2022-23**

</table>

Amount of 60 ECTS or 71 ECTS for the double Degree. The amount of tuition for the second year will be calculated according to the credits enrolled, and may vary annually. La Salle reserves the right to unilaterally cancel any program. In this case, only the amounts that the candidate has paid up to now will be returned, within a maximum period of 30 days after the scheduled start date of the program.

²International Stages included based on the student’s academic performance. Subject to change.
