

PUC Reactivation

At January's end, the service of Consortium University Loan (PUC) was put back into operation between Catalan Universities.

To do it, you will have to identify yourself with your user and password on the [Discovery](#) and select on the search box CCUC/PUC option.

Remember that the maximum number of books borrowed is 10, and the maximum number of days on loan is 21, but you can renew up to 6 times as long as, no other user has made a reservation. Renewals must be made from your Discovery user account.
