

SCHOLARSHIPS 2022/2023

At **La Salle Campus Barcelona**, people are above all and our scholarship program allows young people with the required knowledge and skills to study with us, regardless of their economic and family situation and/or geographical origin.

Our goal is that all candidates who wish to study at La Salle, who meet the access requirements and pass the admission process, can access our University. For this reason, each file and application is analyzed individually.

The deadline to apply for a scholarship is **September 2nd, 2022**.

SCHOLARSHIPS FOR NEW STUDENTS

ACADEMIC MERIT SCHOLARSHIPS

ACADEMIC EXCELLENCE SCHOLARSHIP

Aimed at: Candidates that graduated with Honours in the Spanish baccalaureate or CFGS (Higher Vocational Training Courses).

Amount: Endowed with 70% of tuition fees for the first academic year. From the second year on, the scholarship may be between 20% and 70% of the tuition fees, according to the household income, the academic performance and the program.

ACADEMIC RECORD SCHOLARSHIP

Aimed at: Undergraduate students with a final mark of 8.0 or higher in the Spanish Baccalaureate, CFGS or other equivalent studies recognised by the Ministry of Education and Vocational Training.

Amount: Endowed with 50% of tuition fees for the first academic year. From the second year on, the scholarship may be between 20% and 50% of the tuition fees, according to the household income, the academic performance and the program.

No. of Scholarships: Limited to 15% of the available spots. Scholarships will be granted in order of request and payment of place reservation.

LA SALLE WOMEN ENGINEERS SCHOLARSHIP

Aimed at: Female students in any Engineering Degree with a final mark of 7.0 or higher in the Spanish baccalaureate, CFGS (Higher Vocational Training Courses) or equivalent studies. The scholarship is subject to academic assessment, to a personal interview and to a videocurriculum¹ in which extracurricular activities related to engineering and the motivation will be considered.

Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may continue according to the academic performance. If grades are lower than 7.0, the scholarship will be 20%.

No. of Scholarships: 5 scholarships.

BE A LEADER SCHOLARSHIPS

Aimed at: Candidates with a final high school grade (or equivalent studies) equal to or higher than 7.0. The grant of the scholarship is subject to the academic assessment, a personal interview, and a videocurriculum¹ in which the activities related to each area will be taken into account:

BE A BUSINESS LEADER

Activities to be assessed: Volunteering and leadership-related activities.

Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.

No. of Scholarships: 10 scholarships in Business Degrees.

BE AN ARTIST

Activities to be assessed: Activities related to the participation and creation in the artistic field: festivals, awards, exhibitions, etc.

Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.

No. of Scholarships: 5 scholarships in Digital Arts and Animation Degrees.

BE AN ARCHITECT

Activities to be assessed: Activities related to the participation and creation in the architectural and artistic field: competitions, awards and exhibitions.

Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.

No. of Scholarships: 5 scholarships in Architecture Degree.

INTERNATIONAL SCHOLARSHIP

Aimed at: International candidates with studies equivalent to the Spanish baccalaureate or university studies with a final mark of 7.0 or higher. This scholarship is subject to academic assessment, a videocurriculum¹, household income and a personal interview.

Amount: Endowed with 10% to 50% of tuition fees.

No. of Scholarships: 15 scholarships.

INTERNATIONAL ACADEMIC EXCELLENCE SCHOLARSHIPS

Aimed at: International candidates with studies equivalent to the Spanish baccalaureate, with a final mark of 9 or higher. This scholarship is subject to academic assessment, a videocurriculum¹, household income and a personal interview.

Amount: Endowed with 70% of tuition fees for the first academic year. From the second year on, the scholarship may be between 20% and 70% of the tuition fees, according to the household income, the academic performance and the program.

No. of Scholarships: 5 scholarships.

IB SCHOLARSHIP

Aimed at: Candidates of the IB Diploma Program, whose final score is 35 points or higher.

Amount:

- Between 35 and 41 points: 50% of tuition fees for the first academic year.
- Between 42 and 45 points: 70% of tuition fees for the first academic year.

From the second year on, the scholarship may be between 20% and 50% of tuition fees, according to the household income, the academic performance and the program.

BE AN ENGINEER

Activities to be assessed: Activities related to the participation and creation in the field of engineering: such as the High School final project, participation in contests, competitions or personal projects.

Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.

No. of Scholarships: 5 scholarships in Engineering Degrees.

BE A HEALTH ENGINEER

Activities to be assessed: Activities related to the participation in volunteer work and in technological or health projects to improve people's quality of life.

Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.

No. of Scholarships: 5 scholarships in Health Engineering Degree.

BE A PHILOSOPHER

Activities to be assessed: Activities related to the philosophical and humanistic field, such as literary contests or debate clubs.

Amount: Endowed with 30% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.

No. of Scholarships: 5 scholarships in Philosophy and Humanities Degrees.

ECONOMIC SUPPORT SCHOLARSHIPS

LA SALLE ECONOMIC SCHOLARSHIP

Aimed at: Candidates with a strong academic record and/or personal merits who do not have enough financial resources to study at La Salle.

Amount: Endowed with 10% to 50% of the tuition fees. The scholarship will be for the first academic year and will be reviewed every year.

MOBILITY SCHOLARSHIPS

Aimed at: National candidates who live more than 50 km from the Campus and with limited financial resources.

Amount: Endowed with 30% of the tuition fees.

No. of Scholarships: 25 scholarships.

LA SALLE COMMUNITY SCHOLARSHIPS

Aimed at: Special scholarships for students with very limited financial resources.

Amount: Subject to the committee evaluation.

La Salle scholarships are not cumulative. The academic record scholarship will be taken into account with a maximum of two years before applying for the scholarship.

¹Videocurriculum: short video, between 1 and 3 minutes, in which the candidate talks about himself, his aptitudes and abilities, and his curricular and extracurricular experiences.

LA SALLE SCHOOLS SCHOLARSHIPS

Aimed at: Candidates from La Salle schools from around the world, excluding La Salle Universities.

Amount: Endowed with 10% of the tuition fees.

DEPARTMENTAL SCHOLARSHIPS

Aimed at: Students at La Salle Campus Barcelona who have already completed 50% of their Undergraduate Degree credits, with a good academic record and who collaborate on projects or teaching at the different departments of the Campus completing their training.

Amount: Determined by the number of hours worked.

HP – WOMEN HEALTH ENGINEERS SCHOLARSHIPS

Aimed at: Female students in Health Engineering Degree with a strong academic record, with a final mark of 8.0 or higher. The Scholarship is subject to academic assessment, to a personal interview and to the assessment of a videocurriculum in which extracurricular activities related to engineering and the motivation for this will be considered.

Amount: Endowed with 50% of tuition fees for the first academic year. From the second year on, the scholarship may be kept if the student maintains a remarkable academic record.

No. of Scholarships: 2 scholarships.

SCHOLARSHIPS AND GRANTS FROM OTHER ORGANIZATIONS

Undergraduate Degree students can apply to other scholarships and grants granted by public and private organizations. These scholarships are compatible with the scholarships awarded by La Salle and with loans from banks.

Students from other countries can consult scholarships and grants for international studies in Spain at the embassies of their countries of origin and official education portals.

ENROLLMENT PAYMENT METHOD

It is possible to make a **single payment or to pay in several installments**, with a **maximum of 9 annual installments**. An additional charge is applied depending on the number of installments chosen:

2 installments: Place reservation + 2 annual installments and 30 € of interest. Each installment will be 50% of the remaining amount.

3 installments: Place reservation + 3 annual installments and 60 € of interest. Each installment will be 33,3% of the remaining amount.

9 installments: Place reservation + 9 annual installments and 160 € of interest. First installment of 30% and 8 equal installments of the remaining amount.
