SCHOLARSHIPS 2020/2021

At La Salle, we put people first, and our Scholarship programme makes it possible for young talented people to study with us, regardless of their financial situation or their family, geographical or cultural background.

Our objective is to provide access to our programmes to all candidates who have the right pre-requisites and who get through the Admission Process. We will treat each application individually to ensure that as many students as possible receive the financial aid they require to enrol on our programmes.

Due to the current situation caused by Covid19, La Salle Campus Barcelona wants to be more sensitive with the affected people, and therefore, extend the deadline for applying for scholarships to 3rd September 2020.
